

POP-TAB palooza

IS ON FRIDAY APRIL 20, 2018

Collecting Pop Tabs for Ronald McDonald House Charities® of Memphis supports families and children in need, and helps keep the environment clean at the same time!

Why Pop Tabs?

Aluminum cans are valuable, but the Pop Tabs are made of a more pure, higher-grade aluminum. It is cleaner to collect Pop Tabs, and also takes up less space.

Community Friendly

Anyone and everyone can join in this effort! Collecting Pop Tabs appeals to all ages, and is a great way to bring your community group, company, club, school, church, neighborhood, or family together.

How did the program start?

Ronald McDonald House of Memphis began collecting Pop Tabs in the summer of 2000. Thanks to local recycling centers, we are able to recycle the Pop Tabs in exchange for money.

Where does the money go?

Money raised through Pop Tab Palooza goes directly into our yearly operating budget and allows us to continue providing supportive services while “keeping families close®” as children are receiving treatment for cancer and other catastrophic childhood illnesses at St Jude Children’s Research

Hospital

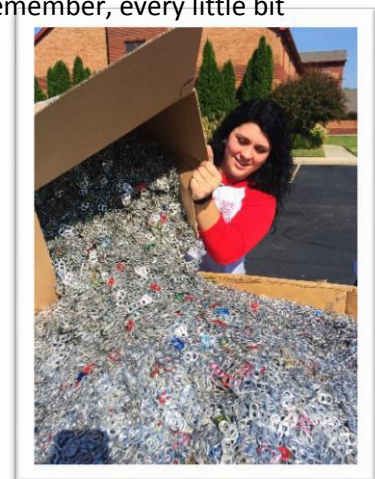

How can I collect and return Pop Tabs to Ronald McDonald House® of Memphis?

Create a collection container using bags, coffee cans, or shoe boxes. At the end of your Pop Tab drive, bring your collection to RMHC Memphis April 20th 2018 for Pop Tab Palooza. If you are unable to attend the event simply bring your tabs to RMHC Memphis and we’ll recycle them for you or you can take your collection to a local recycling center and send us the money you receive. It’s that easy! And remember, every little bit helps!
